

Aerotek is a global recruiting and staffing agency based in Chicago, with other offices in Baltimore, Detroit, and Canada. Since their start in 1983, the company has grown into a team of nearly 20,000 HR consulting and outsourcing specialists.

Aerotek provided staffing solutions and recruiting for a business services firm. The team outsourced parts of the hiring process to streamline the client's internal operations. Aerotek was praised for their professional approach and willingness to help.

The major problem that any recruiting company faces is categorization of resumes in a proper order, such that the further proceedings become flawless.

The company outsources its dataset of resumes with the candidate work profile to develop a model that could categorize them categorize the loads of resumes flowing into their databases into appropriate bins.
